

# PARENT AND CHILD CONTRACT

## Staying Safe Online: A Young Person's Contract

- I will ALWAYS tell a parent or another adult immediately, if something is confusing or seems scary or threatening.
- I will NEVER give out my full name, real address, telephone number, school name or location, schedule, password, or other identifying information when I'm online. I will check with an adult for any exceptions.
- I will NEVER have a face-to-face meeting with someone I've met online. In rare cases, my parents may decide it's OK, but if I do decide to meet a cyberpal, I will make sure we meet in a public place and that a parent or guardian is with me.
- I will NEVER respond online to any messages that use bad words or words that are scary, threatening, or just feel weird. If I get that kind of message, I'll print it out and tell an adult immediately. The adult can then contact the online service or appropriate agency. If I'm uncomfortable in a live chat room, I will use the "ignore" button.
- I will NEVER go into a new online area that is going to cost additional money without first asking permission from my parent or teacher.
- I will NEVER send a picture over the Internet or via regular mail to anyone without my parent's permission.
- I will NOT give out a credit card number online without a parent present.
