Re: Booster shot

School law requires all incoming 7th grade students to have proof of a whooping cough booster ('Tdap') shot, or file an exemption, in order to attend classes this year.

To avoid further delays, we urge you to submit a booster shot record from your child immediately. If he/she hasn't had a booster shot yet, please schedule an appointment with your regular doctor now.

If your child has already received the booster shot, please bring a copy of the shot record to school by Tuesday, September 6, 2016.

Thank you for your cooperation.
