

For iPhone:

From “App Store”  : search for → “SchoolReach parent”

The search result is: 

- Install and open the app

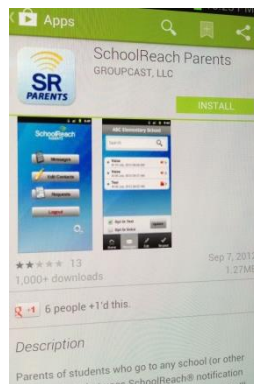

For Android:

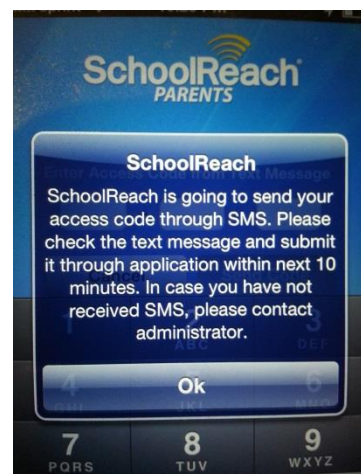

From “Play Store”:  search for → “SchoolReach parent”

The result is: 

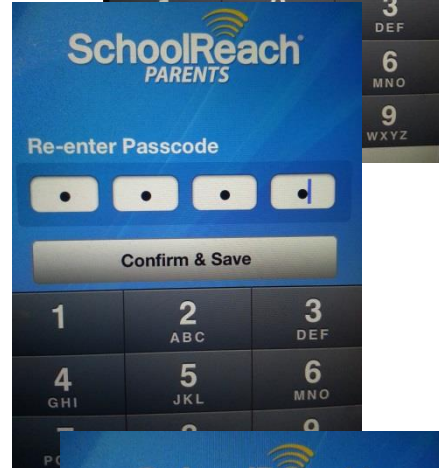

Install and then open the app

The first time opening the app, enter your name, last name and the phone number. Once the number is matched with the number that you have submitted to ASA, it will authorize and then require to identify your carrier and then send a text message with the “Access Code” that you need to enter.

- Next, create a passcode for yourself for the next time you use “SchoolReach” app.
- Re-enter the same passcode and confirm to save.

Finally, you will have the app fully functional.

Please make sure to edit/change your contact if you wish, however make sure to notify the school administration of the changes.

Two solutions for parents to manage messages and communicate with your school.

SchoolReach Parents App:

Manage contact numbers, email addresses, opt-in/out preference all from the convenience of your smart phone.

Message Retrieval Line:

To check past messages, or if you feel a message has been missed, simply dial 855-955-8500 to hear up to 30-days past message history.

Note: Your call must originate from a phone number to which a message was originally sent.
